Applying for a Grant

Before completing and submitting a grant application, please contact the Foundation office at 215-945-1200 to discuss the project for which you wish to apply for funding. We can then provide guidance as to whether your project falls within our funding priorities and answer any questions you may have about the application process. All applications should be submitted by March 31st. All decisions on grants are made every April.

Application Checklist

In order for us to consider your grant request, the following supporting information and documents must be included with your grant application. To avoid a delay in considering your request, please check that all the documents below have been enclosed before signing and mailing in your application:

- A copy of the IRS letter documenting the 501(c)(3) status of your organization
- The mission statement of your organization
- A list of your board of directors or trustees, with their affiliations
- A complete budget for the project for which you are requesting funding
- The current annual operating budget for your organization
- Your most recent audited financial statements
- Your most recent annual report
